

• THE VELINTRE MARKED PARCHMENTS

A collection of works from across the world recounting fantastical adventures from the past. Mythical abandoned towers, ancient prophecies, wicked creatures.

Its publisher, the *Velintre Press*, has thus far made 7 volumes of parchments each annotated with commentary from the translators. Enjoy an intricate journey through history as we uncover magi-archeology and the proof that there are powers greater than be.

A selection of excerpts from the work:

IN REGARDS TO THE EXISTENCE OF SPIRITS

A TREATISE IN METAPHYSICS

NUR AL-ARIF

THUS far, all works have provided very little in regards to a true explication of the works of Him, as should be present from stone as it would upwards to the
